Helmets required!

Treasure Valley Chapter, National Federation of the Blind of Idaho (NFBI) brings hope and confidence to blind people. Adjusting to blindness is not fun, but with proper help newly blinded people can learn to lead active and satisfying lives.

The NFB ...

- Awards scholarships to blind college students
- Publishes Braille and recorded materials about blindness
- Provides information about blindness to sighted people
- Advocates for blind people who face discrimination
- Assists blind people in finding employment
- Develops new technology for the blind
- Makes newspapers and magazines available to the blind by telephone (NFB-Newsline®)

You are helping change what it means to be blind. Although there is a lot of work left to do, the world is truly a better place for the blind today. Thank you.

For more information about blindness or to arrange a speaking engagement for a class or organization, call: (208) 336-5333 or write:

Get a Team Together!

A team is five riders or more. Pick a Team Captain and sign up with family members, neighbors, or co-workers. Dress your team in t-shirts or company apparel so we can recognize your group. Challenge other teams to meet or beat the number of riders in your group. Team riders receive a \$5 discount until May 16.

Blind Driver Challenge

The first public demonstration of a blind man driving a car occurred January 29, 2011 preceding the Rolex 24 Daytona. The NFB is leading the way toward better integration and success of blind people. See www.nfb.org.
